NEW YORK CITY, MAY 31

No horror here: Naomi Watts and Liev Schreiber cuddled all night at a screening of his new fright flick *The Omen*. "He did a great job," raves Watts.

MALIBU, JUNE 4

Romantic rendezvous or friendly frolic?

The status of Heather Locklear and David Spade's relationship remains partly cloudy, but it's clear both enjoyed a sunny Sunday.

HAWAII, JUNE 1

Showing no signs of the "Summertime Blues,"

Mike Myers—who will play The Who drummer Keith Moon in an upcoming biopic—kayaks with a pal.
